## FOR CHILDREN

Encourage. Equip. Give Hope.

Hello Friends,

Joyful greetings in this Easter season! Everywhere we look we see trees budding and plants sprouting. This new life serves as a visual reminder of the living hope we have in Jesus Christ. In the spirit of fresh spring renewal, we feel it's time for a change. Therefore, we are rebranding and are excited to announce our new name,

### **Living Hope for Children.**

With this new branding, we look towards a future that more closely aligns our name with our mission to bring hope to vulnerable children in Uganda. The name **Living Hope for Children** comes from 1 Peter 1:3, which says that God "has given us new birth into a living hope through the resurrection of Jesus Christ." In continued partnership with Hope Partners Africa in Uganda, our focus is on meeting both the material and spiritual needs of the children in our care, and our new name reflects this ongoing commitment to bring God's hope to the communities we serve through child sponsorship. Operations for our ministry in Uganda will remain the same.

We can accept your tax-deductible donations payable under our old name, Juna Amagara Ministries, and using the new name, Living Hope for Children – and **no changes are necessary** for your ongoing online donations. Our mailing address and telephone number are unchanged. If you already follow us on social media, you will see the new name on our accounts in the coming days and won't need to do anything further to continue receiving our updates on those platforms.

### **Our new website is [www.livinghopeforchildren.org](http://www.livinghopeforchildren.org).**

We would like to share our updated vision and mission statements.

**Vision:** *"To see orphans and other vulnerable children in Uganda achieve their full potential and impact their communities for Christ."*

**Mission:** *"We provide education, discipleship, and health services to encourage and equip orphans, vulnerable children, and their communities."*

With your support, the Board of Directors in the U.S. looks forward to continuing to serve more and more children in desperate need in Uganda just as we have since operations began in 2004. Please contact us at **[info@livinghopeforchildren.org](mailto:info@livinghopeforchildren.org)** if you have any questions.
