

Living Hope for Children plus one

Dear Sponsors,

Have you been to the grocery store lately? If so, you've noticed that food has gone up. This is also true in Uganda, where the global food crisis and record inflation are hitting the poorest Ugandans hard. Spending on food alone has more than doubled, using up to 40% of the household earnings of the already impoverished. This has created a situation of unprecedented need in the rural communities we serve. Parents and guardians who could once afford to feed and educate their children are now pulling them from school. It's a heartbreaking choice: feed your child now, or educate them for their future?

Living Hope for Children can help. We have the infrastructure in place to meet this need. For us to do so, we need more sponsors — just like you! As sponsors, you have seen the life-changing impact your sponsorship has made in your child's life. We invite you to share your love of sponsorship and join us in our PlusOne campaign to bring hope to these orphaned and vulnerable children in Uganda through our time-tested program of education, discipleship, and social support.

In the next month, will you commit to bringing a PlusOne into the joys of sponsorship? It could be a friend, a relative, a neighbor— anyone you know who would benefit from experiencing the lasting satisfaction that comes from investing in a child's life.

In this envelope you will find two things you can use to encourage others to sponsor a child through our PlusOne campaign:

- **A brochure describing our ministry and programs**
- **A card to hand out with a QR code for easy access to sign up for sponsorship, or your PlusOne may also go to our website and click on "Sponsor A Child"**

You will also find enclosed a bracelet for YOU! Just tie a knot, slip it on, and hopefully by wearing it, you will be reminded to seek out your PlusOne as we join you in prayer about who you can bring into the Living Hope for Children family! Together, we can provide a struggling child with food security, education, and the good news of the gospel.

Sandy Fugate Board Member

P.S. If you and your PlusOne are willing, please take a photo together and send it to info@livinghopeforchildren.org so we can share the excitement on our social media.
