

April 2024

Greetings Sponsors,

Thank you for giving hope to a child through sponsorship. With your support, the children are doing well and are excited to share all they are learning in their letters to you. We hope you enjoy hearing from your child and encourage you to write back, as it brings your child great joy to receive a letter from you.

The first quarter of 2024 has been off to an incredible start. We are excited to share these updates of God at work in our ministry:

Rooted students engaged in discipleship activities with a recent mission team.

Hope kids are back in school.

Work has already begun at the new Hope High School campus in Rubanda

- Our Primary 7, Senior 4 and Senior 6 students received the results of their national exams taken at the end of 2023, and every single one of them passed and is eligible to move forward to the next level of schooling.
- The new school year in Uganda began in February, and our 815 sponsored primary and high school students, 58 university students, and 42 vocational students are excited to be back to school. In addition, 24 vocational students have graduated already this year!
- Rooted, our discipleship and mentorship program, also began in February for 20 of our recent high school graduates before they begin university in August.
- Our Health Outreach ministry has continued to provide curative and preventative medication and treatment to keep the children healthy and in school.
- Three mission teams traveled to Uganda – and 4 more teams will be traveling to Uganda this year!
- In March we celebrated our 20th anniversary! We started with just 14 students in primary school, and now support just under 1,000 students from preschool through university and have approximately 200 graduates of our program.
- Construction at our new high school has begun, and we will be sending you more information soon!
- Friends in the Chicagoland area, registration is underway for our first golf outing and dinner on August 24th. If you golf, you will enjoy playing the lovely course at Pinecrest Golf Club in Huntley, and if you don't golf, you can still join us for dinner and a fun-filled evening. We look forward to being together. Tickets are available now at livinghopeforchildren.org/golf
- We hope you are enjoying our monthly emails providing a glimpse of what is taking place in the ministry. Email us at info@livinghopeforchildren.org if you'd like to be added to our mailing list.

Thank you for your ongoing support of this ministry. Your partnership allows us to encourage, equip, and give hope to children in the name of Jesus.

The Living Hope for Children Board of Directors

P.S. Won't you please consider mailing a letter to your Hope Kid? They love to hear from you! Please include your child's name and ID number and mail to: Living Hope for Children, P.O. Box 2384, Glen Ellyn, IL 60138.

Vocational graduates ready to impact their communities for Christ.
