

September 2024

Dear Sponsor,

Fall is almost upon us and as we wait to see the beautiful colors on display, it reminds me that, yes, a season is ending, but a new one is beginning. This past spring and summer Living Hope for Children has experienced an abundant season of blessings! One of those blessings is the number of mission teams who visited our care centers this year. The importance of these trips cannot be overstated: building relationships, serving, sharing the love of Jesus, providing resources, and showing genuine care ALL are part of what sustains those who work tirelessly in Uganda, both

staff and students. Coming to Uganda to visit says “you matter”! My own team, as a church partner of the ministry, just returned on August 10th, and the thirteen new visitors to Uganda can now all testify to the amazing work this ministry does to create a community of thriving orphans and vulnerable children. The singing and dancing we witnessed by children and their guardians is such a testimony to the joy they have found now that they have hope.

Would you like to be a new visitor? Do you long to meet your sponsored child and experience the deep love they want to share with you? Would you enjoy seeing the beautiful country of Uganda, aptly described as the “Pearl of Africa”? Do you have a desire to serve the precious children in our care with your unique gifts? We are now preparing for our next season of mission teams for 2025, and you, too, can participate in this great adventure! Develop a team of your own or join a team that has plans to go. Either way, we promise you one thing - you will encounter a life changing experience that will fill your soul and enlarge your understanding of God’s heart for His people. Please contact the ministry at info@livinghopeforchildren.org to find out more about planning a future trip!

Speaking of church partnerships, Living Hope would love to add YOUR church as our church partner! We hope to build a relationship with two or three more churches next year, anywhere in the U.S., in order to help more vulnerable children through education, discipleship, and health services. What exactly can your church do? Please email us and learn more about this opportunity to bring hope to those who need it most.

Enjoy the enclosed letter from your sponsored child. Don't hesitate to respond back to them with words of encouragement, spiritual mentorship, and by sending a picture! They want to know you on a deeper level. They care for you. They think of you often and pray for you. Our team heard the pleas of the children on our trip, "Tell our sponsor to come see me and thank them for us, we are so grateful!"

Thank you for your faithful love and support.

Sandy Fugate
Board Member

P.S. Another blessing of this season is the incredible progress made at our new Hope High School in Rubanda. We are looking forward to sharing more information, including pictures of the new campus, in our next communication. Be sure to look out for it!
