

MAY 2026

Greetings in the name of Jesus Christ.

We are deeply grateful for your faithful partnership with Living Hope for Children. Because of your support, our sponsorship program continues to grow, giving more orphans and vulnerable children in Uganda the opportunity to thrive and build hopeful futures.

Your sponsorship is making a lasting difference—not only in the life of your sponsored child, but across families and entire communities. Through your generosity, children receive the support they need to flourish in life:

Education

School fees, books and supplies are provided so children can stay in school and pursue their education without the burden of financial hardship.

Safe shelter in a loving environment

During the school term, our children board at their schools, where their wellbeing is carefully supported and monitored.

Nutritious food and clean water

Regular, healthy meals ensure children are nourished and free to focus on learning rather than worrying about their next meal.

Clothing and health care

Ongoing health monitoring and access to care support each child's physical development and improve school attendance.

Discipleship and mentorship

We walk alongside each child as they grow in their understanding of God's love, learn to follow Christ, and begin to see their lives as part of His greater purpose. It is our prayer that every child not only reaches their full potential, but also becomes a light in their community for Christ.

Emotional encouragement and stability

Letters, photos and messages from you remind children that they are known, valued and loved. Your words bring deep encouragement and connection.

Support for families and communities

We also serve guardians and communities through social work support and assistance with access to healthcare, strengthening the environment around each child.

Opportunities beyond high school

Unique to our program, qualified students may pursue university or vocational training. This opens doors to meaningful employment and helps break the cycle of poverty through long-term financial independence.

We are continually encouraged by how sponsorship impacts you as a sponsor. Many share that this journey allows them to build meaningful connections, learn about the culture and life in Uganda, and witness real, lasting change over time. It is a beautiful picture of the body of Christ working together across the world.

Recently, a team returned from Uganda deeply moved by their visit. One highlight was time spent in Tommy's Village, where they were welcomed with overwhelming joy and love. Moments like these are powerful reminders of both the strength of these communities and the impact of your faithful support.

Thank you for your continued partnership. Please enjoy the enclosed letter from your sponsored child. We encourage you to keep them in your prayers and continue sending letters—they are treasured more than you can imagine.

With sincere gratitude,

Sue Oban

Board Member

P.S. There are more children waiting to join our program. If you or someone you know would like to sponsor a child or learn more, we invite you to visit our website at www.livinghopeforchildren.org.
