

BUILD HOPE

Dear Hope Givers,

Look what you have built!

Not long ago, Hope High School was a vision—a dream of providing orphans and vulnerable children in Uganda with an excellent education and a place where they could grow in faith, discover their God-given potential, and prepare to impact their communities for Christ.

Today, because of the generosity of Hope Givers like you, that vision is becoming a vibrant and growing campus.

Students now fill five classrooms with eager minds and big dreams. Dormitories provide students with a safe place to live and learn. The administration building is complete and serves as the operational center of the school, providing essential offices for our principal and staff. And thanks to your continued generosity, a new library and two additional classrooms are fully funded and currently under construction, expected to be completed before the school year begins in February 2027.

This is what BUILDING HOPE looks like.

But what you have helped build is about so much more than buildings.

You are helping create a place where children can learn, grow, worship, build friendships, and discover the future God has planned for them. You are investing in young lives and helping transform underserved communities—one child, one classroom, and one opportunity at a time.

As Hope High School continues to grow, our next important step is to build a multipurpose hall.

This much-needed space will become the heart of campus life—a place where students can gather for chapel and worship, share meals together, celebrate important milestones, and come together as a school community. The multipurpose hall will serve the growing number of students at Hope High School and provide a flexible space that will strengthen the campus for years to come.

HELP US COMPLETE THE NEXT CHAPTER OF BUILD HOPE

Multipurpose Hall: \$50,000 still needed

We are excited to share that our Golf for Hope outing last month was a wonderful kickoff, raising \$50,000 toward the multipurpose hall project. We are already halfway to our goal!

Now, we invite you to help us finish what has begun.

With your partnership, we can raise the remaining \$50,000 needed to build this important space and continue creating a campus where students can truly thrive. Looking ahead, our future plans include building a science lab and kitchen as funds allow.

SPECIAL THANKS

Our deepest gratitude goes to the Hope Givers who organized, sponsored, and participated in our Golf for Hope outing. Your generosity and commitment have helped lay the foundation for the next chapter of growth at Hope High School. Interested in hosting your own fundraiser to help BUILD HOPE? We would love to partner with you. Please contact us at info@livinghopeforchildren.org.

HELP US BUILD HOPE

Enclosed you will find a donation card, or you can donate online by visiting www.livinghopeforchildren.org and clicking on **DONATE TODAY**. Please select "Construction – Hope High School" in the purpose dropdown.

If you have appreciated stock, a donor-advised fund, or would like to make an IRA charitable distribution as a tax-advantaged gift, please email us at info@livinghopeforchildren.org.

Our Hope Kids thank you every day for your continued support. By helping us **BUILD HOPE**, you are making a lasting impact on the lives of children today—and for generations to come.

With gratitude,
Peggy Walding
Board Chair
